## Why Do I Have to Pay?

A common misconception regarding AA conferences and conventions is that they are regular AA meetings.

While parts of this conference have a similar format to regular AA meetings, the Southwest Texas Area 67 Convention is not a regular meeting of Alcoholics Anonymous.

The SETA Convention is a special AA event with special participation.

The SETA Convention is self-supporting; no contributions from AA groups are used to pay for this event.

Expenses such as hotel fees, travel and lodging for the speakers, and printed material are paid through registration fees.

No baskets are passed during this event. As stated in our Seventh Tradition, "We are fully self-supporting thru our own contributions".

## What if we can't Pay?

Please see Registration as they will have Scholarships available to those who need them.
