Note: Most Associations like to hold conferences/conventions. In AA, a conference/convention is an important opportunity to share the AA experience in a broad way. There are many AA conferences/conventions held around the world. One common misconceptions of these gatherings is that they are AA meetings, and since there are no dues or fees for AA membership, there should be no fee to attend these events. Conferences/Conventions are special events, not regular AA meetings. The conferences/conventions require months of planning, preparation, and money to present. Since most events are in hotels/convention centers, the hotel/convention centers will require that the group purchase coffee and food. Other expenses include travel and lodging for conference/convention, speakers, printing, postage and other supplies. A large event requires a substantial amount of money. Attendance at a conference/convention is voluntary, attending as part of a group is optional, but as a responsible AA member we must pay our own way.
